“This is a holy place where we discover each other in God’s love.”

September 24, 2026

Dear Parents,

We remind everyone that each child’s success at St. Joseph is the responsibility of all in the school family. As the first educators of your children, this success is closely linked to all you do at home, as well as, to your continued support of our school’s mission, its policies, teachers, staff, and administration. Your trust in us as Catholic School Educators is of the utmost importance, as we work together, for the success of our children. We take seriously our **AMEN**, our Mission, which states that we “Accept each person as a unique creation in God’s image; **Model** Jesus as we make everyone feel welcome in this holy place; **Educate** each person for life; and, **Nurture** the diverse gifts and talents of the whole school family.” May these words be uppermost in all of our minds and hearts each day of this 2026-2027 school year.

Our second casual day for this month takes place tomorrow and is for the Mission Children of the World. This is a Diocesan sponsored charity in which all of our schools are participating. This project cares for children around the world. We ask each child who wears casual clothes tomorrow to donate \$2.

We thank Mr. G’s for sponsoring our Dine-In Night. Our school earned slightly over \$500 for our field trip fund.
